Тема: Thanks from Brno

Dear Professor Pashkov,

I would like to thank you for inviting me to the conference and for all your effort. I had an incredible time in Moscow. I was surprised of hospitality and kindness of everyone I have meet there. It was an amazing week and I will remember it for a long time.

I have enclosed some pictures from my stay.

You are warmly welcomed in Brno and South Moravia! If you will have sometimes the opportunity to be somewhere nearby, do not hesitate and contact me!

Warm greetings

Michaela
